Things are lookin' better now  
We're still in this game somehow  
And we owe it all to you  
Lord, you never let us down

It's time for us to close the show  
We wanna let our people know, oh yeah  
You might not always see a face  
But our music stays around, around

We always keep our music real  
We cater to that sex appeal  
Give you something you can feel  
Hope you enjoyed the smooth silky sounds  
We hope we made you loose control  
Hope we took you to the next level  
It's time to say goodbye for now  
'cause this love session is closed, is closed

But we will return  
We're gonna come back to you, yeah  
We gotta come back to you, you yeah  
But we, we will return  
We're gonna come back to you, back to you
