Just one look at your body  
And my heart begins to pound  
You're looking good in everything you wear  
I like having you around  
Your lips and your smile  
Girl you know that you're driving me wild  
I like the sexy way you wear your hair  
Wanna take you everywhere  
Cause you know you're looking so

Sexellent  
(You're a marvel) Marvelous  
(And your body's so, your body's so) Eloquent  
(And you make me feel) Magnificent  
(Cause you know you're looking so) Sexellent  
(Oh Sexellent) Marvelous  
(You got me saying la-da-da-da-da-da-da-da) Sexellent

When I gazed into your pretty eyes  
Girl you know you got me hypnotized  
And when I get my hands on you  
Let me tell you what I'm gonna do  
Gonna give you lovin' that makes your body tingle  
through and through  
Cause your lips on your smile  
Girl you know that you're driving me wild  
I like the sexy way you wear your hair  
Wanna take you everywhere

(You're so) Sexellent  
(You're a marvel) Marvelous  
(Oh your body's so) Eloquent  
(Make me feel) Magnificent  
(Ooooh yea) Sexellent  
(Sexellent) Marvelous  
(You got me saying la-da-da-da-da-da-da-da) Sexellent

I never ever had to dream about nobody else  
Cause you're my everything, I want you all to myself  
You know I gotta thank the Lord above  
For sending me you, baby you make it whole

And without your love I'm through, Sexellent

So sexy  
Damn you're so marvelous  
Eloquent  
Your so magnificent baby
