Chorus:

There's a meeting in my bedroom
So girl please don't be late
There's a meeting in my bedroom
So please don't make me wait.
There's a meeting in my bed....
There's a meeting in my bedroom

Looking at my Rolie girl I see it's almost time (Oh! Yeah,
Oh! Yeah)
I hope you're getting ready girl and don't forget the
wine
Tonight is just for you and I, and it's gonna' be so fly
I like having you around so I got to put you down
So be there or be square.

Chorus:

Step into my castle, lay down, down, down, down
I got a little something, something for my sexy mama,
mama
Been checkin for you since day one
You're my moon and you're my sun
Girl you jiggy and you know that I'm feeling nasty, Oh
Be there or be square.

Chorus:

Bridge:

You're everything that I've been searching for
and there's no need for me to search no more
(Won't you come into my room)
Oh! my baby I really, really, really, really want to love
you down
Oh! Baby Yeah y-yeah y-yeah yeah yeah yeah
Ooooooh!

Chorus:
