[Intro]

Lady, lady  
I'm checkin' for you  
I'm checkin' for you  
Lady, lady  
You should be treated like

I've been seein' her at the bar lately  
She's been kickin' by herself lately  
But on the normal, I wouldn't be shady  
And try to pick up on someone else's lady, yeah

(Oh) I said but she was all alone  
(Oh) I was chillin' with my crew and  
(Oh) I wanna take her home with me  
Shine her up with my rings bling bling

I said  
(Oh) I wanna lick you on your toes and  
(Oh) I wanna buy you jiggy clothes and  
(Oh) I'll throw some ice up on your hand, girl  
Treat you like a real man can

You should be treated like a lady  
Oh baby, don't let him do you wrong  
Listen to the song, I said my word is bond, say  
You should be treated like a lady  
You should be treated right baby, baby  
Don't let him do you wrong  
Listen to the song, it goes on and on  
Treated like a lady

Now I been waiting here patiently  
Trying to figure out what to say  
I think I'll send you a drink  
'cause you're lookin' so sexy

Can we catch up on things  
I think you ought to be treated like a queen  
And if you're receiving less than that  
You can always leave

(Oh) She was all alone  
(Oh) I was chillin' with my crew and  
(Oh) I wanna take her home with me  
Shine her up with my rings bling bling

I said  
(Oh) I wanna lick you on her toes and then  
(Oh) I wanna buy her jiggy clothes and  
(Oh) I'll throw some ice up on her hand and  
Treat you like a real man can

You should be treated like a lady  
Climb on my rainbow 'cause I promise fantasies  
If you come with me  
You should be treated like a lady  
We can do it on and on and on  
And on, on, on, on

You should be treated like a lady  
Climb on my rainbow 'cause I promise fantasies  
If you come with me  
You should be treated like a lady  
We can do it on and on and on  
And on, on, on, on

Hey, don't you give up on love  
Said baby, baby, hey  
Won't you give me one shot at lovin' you  
I just wanna give the world to ya  
I wouldn't control ya  
Just wanna roll with ya  
(Roll with you, roll with you)

Never give up on love  
I said baby, baby, baby  
Won't you give me one shot at lovin' you  
I just wanna give the world to ya  
Don't wanna control ya  
Just wanna roll with ya  
(Roll with you, roll with you)

And get cozy wit'cha yeah, hey yeah  
Help me sing  
Hey yeah, hey yeah  
Hey yeah, hey ooh yeah  
Hey yeah, hey ooh yeah

You should be treated like a lady  
Baby you know I'll treat you right  
I won't do you wrong  
Listen to my song

Girl my word is bond

You should be treated like a lady  
Baby you know I'll treat you right  
I'll never do you wrong  
Listen to my song  
Girl my word is bond

You should be treated like a lady  
Hey yeah, hey ooh yeah  
Hey yeah, listen to my song  
Girl my word is bond

You should be treated like a lady  
Hey yeah, hey ooh yeah  
Hey yeah, listen to my song  
Girl my word is bond

You should be treated like a lady  
Baby you know I'll treat you right  
You know I'll treat you right  
You should be treated like a lady  
You know I'll treat you right
