A summer love is beautiful
But it's not enough
To satisfy emotions
That are shared between us

I'll never underestimate
The new love of spring
But I'm glad to say in my heart
I know our love's lasting

'Cause every time I close my eyes I think of you
It don't matter what the season is I still love you
With all my heart
And I wanna be with you wherever you are

I only think of you on two occasions
That's day and night
I'd go for broke if I could be with you
Only you can make it right

An autumn love is special
At this time of the year
But when the leaves are gone
Does that love disappear?

I'll never underestimate
The new love of spring
But I'm glad to say in my heart
I know our love's lasting

'Cause every time I close my eyes I think of you
It don't matter what the season is I still love you
With all my heart
And I wanna be with you wherever you are

I only think of you on two occasions
That's day and night
I'd go for broke if I could be with you
Only you can make it right

I only think of you on two occasions
That's day and night

I'd go for broke if I could be with you
Only you can make it right

'Cause every time I close my eyes I think of you
It don't matter what the season is I still love you
With all my heart
I wanna be with you wherever, ever you are

I only think of you on two occasions
That's day and night
I'd go for broke if I could be with you
Only you can make it right

I only think of you on two occasions
That's day and night
I'd go for broke if I could be with you
Only you can make it right

Winter love, springtime love, summer love
