[Intro]

Silk would like to welcome you  
To the love session  
Please enjoy

Welcome to the love session  
Welcome to the love session  
Welcome to the love session  
The love session

Silk can show you how to love somebody  
Silk can show you how to say I'm sorry  
Silk can show you how to say please forgive me  
Silk can show you how to stay in love

In the love session  
Welcome to the love session  
In the love session  
Welcome to the love session  
Welcome to the love session

Hush little baby, don't you say a word  
Silk is gonna show you how to love somebody  
In the love session, love session

Hush little baby, don't you say one word  
Silk is gonna show you how to love somebody  
In the love, love, love, love session, oh
