Everybody wants the sunshine  
Nobody wants the rain  
Everybody wants a good time  
Nobody wants the pain  
Everybody wants tomorrow  
Nobody likes today  
Everybody needs the good life  
But nobody wants to pay

Everybody wants to be in love sometime  
Nobody wants to live a life alone  
Everybody wants to hold a lover in the night  
Oh, everybody wants  
Everybody wants

Everybody wants to be in love with love  
Everybody wants to be in love with love  
Everybody wants to be in love with love  
Everybody wants to be in love with love

Everybody loves the good times  
Nobody likes it bad  
Everybody has to be happy  
Nobody likes it sad  
Everybody goes to heaven  
Nobody goes to hell  
Everybody hides a dreamer  
Nobody wants to tell

Everybody wants to be in love sometime  
Nobody wants to live a life alone  
Everybody wants to hold a lover in the night  
Oh, everybody wants  
Everybody wants

Everybody wants to be in love with love  
Everybody wants to be in love with love  
Everybody wants to be in love with love  
Everybody wants to be in love with love...
