Now that I'm on my way
I'll leave the dreams in the night
For another day
Listen to what they say
Never look back down the road
That you stumbled on

Steady the load
Wear out your shoes
Sew them with blues

Take my visions of Shangri-La
(Shangri-La, take my shangri-La)
I won't need them today
(Dreams of Shangri-La)
Because I'm on my way
On my way

Now that the clouds are gone
I can see I'm on the way
To my Avalon
Drawn by belief
Tossed like the waves
Blown like the leaves
(I'm on my way)

Take my visions of Shangri-La
(Shangri-La, take my shangri-La)
I won't need them today
(Dreams of Shangri-La)
Because I'm on my way
On my way

Now that the clouds are gone
I can see I'm on the way
To my neverland
Drawn by belief
Tossed like the waves
Blown like the leaves

Take my visions of Shangri-La

(Shangri-La, take my shangri-La)
I won't need them today
(Dreams of Shangri-La)
Because I'm on my way
On my way
On my way
On my way...
