I see myself alone and time awhile
I can't help but refuse my restless mind
And I don't know what to do
It's you, it's you

See the minutes slipping thru my hand
I'm feeling so confused
I try to run away
'cause I can't stand you ...it's you

And things I've said to justify
The wrong you've done will testify
That I let you down
Once again

Take me to a world of fantasy
Take me to a place
Where I can be the one I want to be
And see you

Things I've never seen in you before
Things I've always wanted to ignore
I'd rather run away
From you ...it's you

Let a little sunlight come inside you
Let it shine to the back of your mind
And in different ways

You will come about

This end's such true
You're constant I know
And a day is near
And I'm feeling fine for you

Ooooooh!! You

Now I'm feeling fine
Feeling fine and you
I'm feeling worth ...it's you

I'm feeling worth ...it's you
I'm feeling worth ...it's you
Now I'm feeling fine
Feeling fine for you.
