I'm feeling bad without my lady
I guess it's being to long, but
I'm going back and someday maybe
I've been thinking of a song

Not having luck and not bringing money
Yeah! it wont bring along, I guess
I'm going back just to see my honey
.....Before I die

I'm feeling lonely
You know I'm tired and scared
Of what tomorrow may bring
It might seem like a minute of a thousand hours
Some people've said the worst is yet to come

I remember when I was younger
my father went to war
My Mama she said she had gut feeling under
he wasn't coming home anymore

I found my self in a damn situation
My lady left me at the stations
I'm feeling bad without my lady
It's been too long
I'm going back and someday maybe
Singing a song about you... yeah! you

My babe
you know I'm feeling bad, but... (fade).
