Come by me
Come talk to me baby
Tell me how
We can combine

Will you be
My sunshine forever
Will you be
A friend of mine

Try me out
And if you get excited
Take me home
I'd love to be invited
Once we're there
I'm sure you'll be delighted
We could rock all night

Wait and see
We might fit together
That would be
My lucky day

Come by me
Come love with me baby
Maybe we
Could run away

Well come by me
Come talk to me baby
Tell me how
We can combine

Will you be
My sunshine forever
Or will you be
Just a friend of mine

Try me out
And if you get excited
Take me home

I'd love to be invited
Once we're there
I'm sure you'll be delighted
We could rock all night

Wait and see
We might fit together
That would be
My lucky day-yeah

Come by me
Oh come love with me baby
Maybe we
Could run away
Maybe we
Could run away
Maybe we
Could run away
