Meet me on the corner of close and soon

I'll have a song in my head

And my hands on a tune

Nothing lasts forever

So I figure I better

Take you forever

For now

Meet me in the lobby of destiny

I'll have a ribbon on my shoulders

And a halo over me

If nothing lasts forever

I guess I better

Take you forever

For now

Under a clock

By an information desk

I'll be there with bells on

By an old oak

A fountain in the park

Just don't be long

By the ticket counter for love in spring

I'll be standin' there with cupid

And he can aim that thing

Nothing lasts forever

It's not a question of whether

I'll take you forever

For now
