It's the wrong time and the wrong place

Though your face is charming it's the wrong face

It's not her face but it's such a charming face

That it's alright with me

It's the wrong song in the wrong style

Though you smile is lovely it's the wrong smile

It's not her smile but it's such a lovely smile

That it's alright with me

You can't know how happy I am that we met

I'm strangely attracted to you

There's someone I'm trying so hard to forget

Don't you want to forget someone too

It's the wrong game with the wrong chips

Though your lips are tempting they're the wrong lips

They're not her lips but they're such tempting lips

That if some night you're free

It's alright with me
