Now you say you're Lonely  
You cry the whole night through  
Well, you can cry me a river  
Cry me a river  
I cried a river over you

Now you say you're sorry  
For being so untrue  
Well, you can cry me a river  
Cry me a river  
I cried a river over you

You drove me, nearly drove me out of my head  
You never shed a tear  
Remember, I remember all that you said  
You told me love through with bein  
Told me you were through with me and  
Now you say you love me  
Well just to prove you do  
Go on and cry me a river  
Cry me a river  
I cried a river over you..yeaaaah

[Brass Instrumental]

Remember, I remember all that you said  
You told me love through with bein  
Told me you were through with me and  
Now you say you love me  
Well just to prove you do  
Go on and cry me a river  
Cry me a river  
I cried a river over you
