We are dancing like colored leaves in the wind

Our pale faces in the autumn mist

Pearls of rain on our skin

Sleep!

Sleep on child!

We'll never be so close again

Do I really love you?

Do you really love me?

Is it just a dream?

I see my face in your face

I hear my voice in your voice

Mirrors to satisfy your vanity

and empty words to daze our solitude

We are falling like withered leaves in silence

Pearls of tears on our skin

Love's not made for eternity

Only death lasts forever

Sleep!

Sleep on child!

We'll never be so close again

Do I really love you?

Do you really love me?

Is it just a dream
