wouldn't you adore the baby  
wouldn't you baby  
wouldn't you laugh  
what if you're made for a nickel

I'd go to heaven at night  
if i didn't have the worst case of stage fright  
like you told me that someday  
when your aiming, doubt the neck of your bat  
and you wouldn't understand

when your tired, there i was  
the way that you would look at me  
in the bathroom every time you see  
and when i'm shaving hairs  
whip and he cut me back  
if you know whats good  
important that you show up  
after i wrote it in a letter  
tattle-telling you  
cause i'm scared  
because i'm scared  
cause i'm scared

scared of the dark  
scared of the truth  
scared of the dreams that haunt him  
i'm scared of my girlfriend

scared of the clues  
that my mind was left  
wept, but then i finally felt it

scared to death i might be alive

scared of the dark  
scared of the truth  
scared of the dark  
scared of you  
so fuckin scared  
so fuckin scared of you

scared shitless  
scared shitless of you  
scared shitless of you  
and all the fuckin power i give you  
and now that you have heard this  
what will you do

i'm scared  
scared shitless

scared of when i talk to the fuse  
i bleed inside my pain

it's child abuse  
i wear my name
