[Chorus]

Wishing you were here, holding me tonight
wishing you come back into my life.

Wishing you were here,
wipe away my tears
wish I could turn back time.

Ay ay ya ya ya (wishing you were here)
Ay ay ya ya ya (wish you would still be near)
wishing you were here.

It seemed too good, too good to be true
to be in a love with only you,
thinking you felt the same for me
but you might; uhu; and you tripped on me
in my bed, I thrust a strange
I thrust to the left, I thrust to the right
hoping you see at to moan a lie
I wish you were here tonight...

[Chorus]

wish you were here, wishing you were here
Ay ay ya ya ya
wish you were here, wishing you were here
and wipe away my tears
Ay ay ya ya ya

One, two, how baby how you do
three, four, cuter like you I really never had before
five, six, ah yes we kiss
seven, eight, and believe me, they were for eight
nine, ten, show me that stood again; aha; aha
you know what I mean, you're like ice-cream
I wish you were here, I wish you were here
(you were here, oh)

[Chorus]

Ay ay ya ya ya (wishing you were here)
Ay ay ya ya ya (wish you would still be near)

wishing you were here, I'm wishing you were here.

wish you were here, wishing you were here
Ay ay ya ya ya
wish you were here, wishing you were here
(oh yeah)
wish you were here, wishing you were here
Ay ay ya ya ya
wish you were here, wishing you were here
(wipe away my tears)

[Chorus]

(I wish you were here)
