I been to the doctor he says I'm all right  
I know he's lying, I'm losing my sight  
He should have examined the eyes of my mind  
20/20 vision and walkin' 'round blind

Since she's gone and left me I feel so alone  
I carry a heart that is heavy as stone  
I knew that she cheated, I knew all the time  
20/20 vision and walkin' 'round blind

With my eyes wide open I lay in my bed  
If it wasn't for dying, I wish I was dead  
But this is my punishment, death is too kind  
20/20 vision and walkin' 'round blind

You just couldn't know her the way that I do  
You say that she's wicked and maybe it's true  
But one thing I do know, she's no longer mine  
20/20 vision...

I've lost her, I've lost her, oh what will I do  
I bet you're not happy if she's there with you  
The eyes of your heart will have trouble like mine  
20/20 vision...  
20/20 vision.
