Hello! Hooray!  
Let the show begin, I've been ready  
Hello! Hooray!  
Let the lights grow dim, I've been ready

Ready as this audience  
That's coming here to dream  
Loving every second  
Every moment, every scream

I've been waiting so long to sing my song  
And I've been waiting so long for this thing to come  
And I've been thinking so long I was the only one

Roll out! Roll out with your American dream  
And it's recruits, I've been ready  
Roll out! Roll out with your circus freaks  
And hula-hoops, I've been ready

Ready as this audience  
That's coming here to dream  
Loving every second  
Every moment, every scream

I've been waiting so long to sing my song  
And I've been waiting so long for this thing to come  
Oh, I've been thinking so long I was the only one

I can stand here strong and thin  
And I can laugh when this thing begins

God I feel so strong, I feel so strong  
I am so strong, I feel so strong
