Anybody's dream can fall apart  
Anybody's mask can break  
Couldn't tell you how I wanted  
you  
Enough to make you want to stay  
I never said the words out loud  
I guess I couldn't get 'em straight  
Baby, give me one more chance  
Before you walk away  
It's only, only, only, only my heart  
talkin'  
Yeah, it's only, only, only, only my  
heart talkin'  
Sayin' things I never thought I'd  
say  
Can't you hear me knocking  
Tried to fool you but it wouldn't  
play  
Cuz my heart it's talkin', it's talkin'  
Baby, it's talkin'  
Talkin' to you  
Everytime I take it to the edge  
Everytime I'm so afraid  
Don't you know I cry my eyes  
out, babe  
Everytime you look away  
Oh, I almost dropped a tear  
But I caught it just in time  
I'd say those things you want to  
hear  
If you'd help me, help me, help  
me try  
It's only, only, only, only my heart  
talkin'  
Yeah, it's only, only, only, only my  
heart talkin'  
Sayin' things I never thought I'd  
say  
Can't you hear me knocking  
Tried to fool you but it wouldn't  
play

Cuz my heart it's talkin', it's talkin'  
Baby, it's talkin'  
Talkin' to you  
Well, I don't want to hide away  
Hide away without you, baby  
Don't you go and run away  
Come and help me, baby Just a little help, baby Oh, my  
little baby
