Your cruel device
Your blood, like ice
One look could kill
My pain, your thrill
I want to love you but I better not
touch (Don't touch)
I want to hold you but my senses
tell me to stop
I want to kiss you but I want it too
much (Too much)
I want to taste you but your lips
are venomous poison
You're poison running through my
veins
You're poison, I don't want to
break these chains
Your mouth, so hot
Your web, I'm caught
Your skin, so wet
Black lace on sweat
I hear you calling and it's needles
and pins (And pins)
I want to hurt you just to hear you
screaming my name
Don't want to touch you but
You're under my skin (Deep in)
I want to kiss you but your lips
are venomous poison
You're poison running through my veins
You're poison, I don't wanna
break these chains
Poison
One look could kill
My pain, your thrill
I want to love you but I better not
touch (Don't touch)
I want to hold you but my senses
tell me to stop
I want to kiss you but I want it too
much (Too much)
I want to taste you but your lips

are venomous poison
You're poison running through my
veins
You're poison, I don't wanna
break these chains
Poison
I want to love you but I better not
touch (Don't touch)
I want to hold you but my senses
tell me to stop
I want to kiss you but I want it too
much (Too much)
I want to taste you but your lips
are venomous poison, yeah
I don't want to break these chains
Poison, oh no
Runnin' deep inside my veins,
Burnin' deep inside my veins
It's poison
I don't wanna break these chains
Poison
