YOU AND ME

(Alice Cooper/Dick Wagner)

ALICE COOPER - 1977

When I got home from work  
I wanna wrap myself around you  
I wanna take you and squeeze you  
'till the passion starts to rise.

I wanna take you to heaven  
that would make my day complete  
but you and me ain't movie stars  
what we are is what we are  
we share a bed some lovin' and t.v. yeah.

That's enough for a workin' man  
what I am is what I am  
and I tell you babe  
well that's enough for me.

Sometimes when you're asleep and  
I'm just starin' at the ceiling  
I wanna reach out and touch you  
but you just go on dreamin'.

If I could take you to heaven  
that would make my day complete  
but you and me ain't movie stars  
what we are is what we are  
and I tell you babe  
well that's enough for me.

You and me ain't no superstars  
what we are is what we are  
we share a bed some popcorn and t.v. yeah.

And that's enough for a workin' man  
what I am is what I am  
and I tell you babe  
well that's enough for me.

When I got home from work  
I wanna wrap myself around you  
I like to hold you and squeeze you  
'till the passion starts to rise.

I wanna take you to heaven  
that would make my day complete ...
