[Chorus:]

[Silkk:] And it's all because of you I know what hot girls do

[Mia X]

It's all because of you

I know what hot boys do and that's why I don't trust 'em

I make sure it's all about me ain't even trying to love 'em

cuz I know you're type hot boys don't wanna do right

Screwing everything then have the nerve to wanna have a good wife

nah bump that baby get ya sneakers and ya beeper

let the door knob hit ya

I bought this house ya heard me I'ma shine without ya mista

it's the biggest Mama Mia X independent bringing weight to

the table I'm financial stable and able

to let you know what I'm not gone tolerate

pay for everything I got you can't throw shit

in my face wait a minute let me finish my name ain't

no promises from ten years ? only sees one kind of mista

on a mission paper chasing building things with a sister

I get caught up in my rapture ? got you like a groupie

even lie on your I suck what rode who nah

I just trust em to be women ya heard me?

see my crib and stuff and she was like I ain't got no man

if I give her a gift she be like girl that fool is laying

if I give her a kiss she be like that's my man he love he just be playing

so I might give you a gift but don't think I'm a trick
