Stepped out my house wit some Daniel Greens on  
House wit Versace and shit but I just throw some jeans  
on  
Picked up my phone, called my niggas but they wasnt at  
home  
Shit mo like this (beep, beep) leave a message after the  
tone  
Front back side to side in my 64 just cause I rap  
everyboby see me everybody  
start to hit the floor  
I be like ugn ugn dog I don,t do that shit no mo  
Everybody come on everybody get they jewels and  
wallets and shit evrybody get  
up of the floor  
See I got a benz I can choose either the white or the  
black one  
Dollar billz I stack um  
Hallz full of platnium  
Ugh un and ya'll don't want to try to jack son  
Last nigga that tried, he died  
Wish you could ask him  
Use to walk In the bank be like I know he a thief  
Now I walk to cash my checks with no I.D.  
Everything I drop picture this It got to be sick  
Like he ain't far from C.E.O. so that nigga got to be rich  
Put It like this every week of the year cop me a six  
Do the sports year one year then cop two lottery picks  
I'm tryin to ball I could give a fuck what yall got  
My motto Is why get a car when I can buy the car lot

*[Chorus]*

If It don't make dollas It don't make sense  
If It don't make dollas then It just don't make sense  
If It don't make dollas It don't make sense  
I'm bout to represent I'm to get presidents

It's like mo money mo money mo money  
No Limit the only way to go know why cause that's  
foshow money

*[Chorus]*

I went from, holdup I'm trippin ahhhhhhhhhh oh yea I  
know I went from rolex's  
to better rolex's  
The plane kind to the kind with big head bezel's  
Cutlass to benzes to a house on the hill  
Worth more than a mill and I still keep It reel  
I got more style nigga than haircuts  
Let my nuts hang to the floor they bigger that beer nuts  
Now you can ask p when you see him he'll tell ya dog  
I'm priceless  
That's why my jewel's and shit will remain iceless  
Now either your with me or against me dog  
You didn't like me before you really ain't gone like me  
no why I ain't  
begining to ball  
I did charge It to the game nigga In less than two  
weeks  
So I'm a take my time on made man and do It In 3  
Now when I rap ya'll gone to have to feel my flow  
Other rap niggas make one hit and never hear them no  
mo  
That could never be me though  
Before I stop silk the shocker then turn C-E-O  
Money money money thats all I know  
I'm trying to figure out I'm trying to have enough to get  
all my dogs up out  
the ghetto

*[Chorus]*

It's like mo money mo money mo money no limit the on  
way to go  
Cause that's foshow money

*[Chorus]*

If It don't make dollas then I don't want to make It  
If it don't have four or five zero's behind it I don't wan't  
to take It  
If it's a lexis why get a three when I can get a four  
Why drive a five when I can drive a six  
If It's the dope game why buy a once when I can buy a  
brick  
Instead of buying a four I brought a four five so I can  
hide my wrist bitch  
See most of my time Is spent up in the air  
I'm on a airphone talking down to the mayor
