1,2, You here the clock tickin'?  
Tick-tock, You about to stop livin'.  
Tick-tock, I want you to remember me.  
Tick-tock, but the day don't have no memory.

[CHORUS]I'm comin'!  
Nobody could stop, Ain't nobody could hold me, Ain't  
nobody control me.  
I'm comin'!  
I'm here to do my thang, I'm here to bring the pain, I'm  
never ever gon' change!  
I'm comin'!  
Nobody could stop, Ain't nobody could hold me, Ain't  
nobody control me.  
I'm comin'!  
I'm here to do my thang, I'm here to bring the pain, I'm  
never ever gon' change!

Like Tropicana, I got the juice  
Offer the lease to let the dog loose  
Don't make me call up the crew  
Now they gettin' scared when I call up my troops  
I'm the One like Neo, cocky like T.O.  
Nobody could guard me like I'm shootin' a free throw  
This is illegal, my flow is legal  
And its me, there will never be a sequel  
See, I'm fly like a pelican  
And while I'm here, yeah, I'm gon' represent  
If your sick, then I'll be your medicine  
And you already know who I'm better than  
No doubt, yeah, I'm a veteran  
And when done you gon' think you got ran over by  
elephants  
Since I came ain't been the same like ever since  
And that talking, yeah, it better end.

[CHORUS]

This is: My world, my way, my life  
And if I gotta do it I gotta do it right  
So everything I want, go ahead and gimme that  
If ya girl with me just know that you ain't gettin back

Yeah, she want a bad boy  
And I'm all about my cash boy  
You see me all up in the Jag boy  
I know that make you mad boy  
But don't make me beat ya ass boy  
So don't go there  
Ya career's like a treadmill: you runnin' but you ain't  
goin' nowhere  
Me, on the other hand  
I can blow 100 stacks and bounce back rubberband  
30 karats here, 100 on the other hand  
I do me, I don't worry 'bout another man  
I'm way past'em, got'em playin' catch up  
I'll be right there if you ever mess up

[CHORUS]

1,2, You here the clock tickin'?  
Tick-tock, You about to stop livin'.  
Tick-tock, I want you to remember me.  
Tick-tock, but the day don't have no memory
