[Master P]

Sizz Shocker

[Silkk]

Son of a oh

[Master P]

You ready whodi; let's go to war

[Chorus x2]

Na Na Na (uh-ha, uh-ha)

Y'all niggas in trouble now (uh-ha, uh-ha)

Y'all niggas shouldn't have fucked around (uh-uh, uh-uh)

No Limit gone shut this down

[Silkk]

They got something to fear now

Cause look dude ain't kidding around

No Limit geared down

(They been waiting) but I'm here now

You seen big Four Wheelers but none like these

Many before me dog but none like me

I got a band but dog I'm still a bastard getter

And this time talking about something like a classic
hitter

Fuck with niggas who live their whole life in the gutter

I tell you strait uh uh uh uh ain't like I stutter

When the raps go down dog I can rely on the streets

They got to really rap know dog ain't no more relying
on beats

Niggas don't want their girl around me thinking I'm a
steal they chick

Insecure niggas don't want to see their girl on my diss

Try to keep up like VROOOM! when I pass them up

In 4 of them nigga that's what's up

Have them saying money wise ain't nobody fucking
with slim

In rap wise Mike how you feel about me: Yo I ain't

fucking with him
Y'all in my got to go get it, me I'm ready to spit
I don't think y'all niggas ready for this
But come on

[Chorus x1]

[Music Cuts with explosion]

[Master P]

Don't never count us out
This only the begin Ha-Ha
That's why we winning
We smarter than y'all and we got to much paper
Remember that whodi
