No limit, yeah, southern hospitality we seizin' it on you  
My nigga Silkk, The Shocker, Snoop D O double G Y  
D O double G, beats by the pizound, you know what I'm  
sayin'?  
From the N O to the L B C

All my real gangstas throw yo hood up  
Throw yo hood up, throw yo hood up  
Now to all my real soldiers throw yo hood up  
Throw yo hood up, throw yo hood up

Fancy cars, diamond rings, bad ass bitches  
Lots of cocaine, smokin' on the best bud  
Givin' up that west love  
Got them bitches shakin' they ass, all in the club

Now some call us the players, others call us the pimps  
So on the level lets talk about hoes  
Some hoes dig us an' let's talk about pimp  
You know we don't show no tricks or bitch niggas no  
love

You should know all the way to Snoop  
Nigga pimping's all up in our blood

Now trip this for a second nigga  
I'm bout to drop some more pimp shit on yo ass  
Have you ever slapped a bitch?  
Have you ever counted over a thousand dollars in  
cash?

Nigga if you ain't never did that shit before  
Get the fuck up out my face, 'fore  
I have to pull this tray 8  
Up out my muthafuckin' waist

An' if you don't do it, I'm a do it  
These niggas be talkin so bad, an [unverified]  
I could slap a bitch, like I had a million dollars in cash  
So it ain't no thang, bitch backed up

Give a nigga some room before I bust

I give a fuck about a hoe, I might get a fuckin' nut  
Get tha fuck an' get up, throw it up

All my real gangstas throw yo hood up  
Throw yo hood up, throw yo hood up  
Now to all my real soldiers throw yo hood up  
Throw yo hood up, throw yo hood up

All my real gangstas throw yo hood up  
Throw yo hood up, throw yo hood up  
Now to all my real soldiers throw yo hood up  
Throw yo hood up, throw yo hood up

It's the S,N double O, P  
Nigga an' this is Silkk The Shocker  
Automatic with rockers, yo girl automatic gonna jock us  
From the LB to the NO, represent

Me an' my camp for, blaze up like indo  
Like dirt up in a rental

Nigga at the right place we caught you at the wrong  
time  
An' my team 'bout to beat you down, ain't no fuckin'  
game  
You threw up the wrong sign, see I went from hundred  
dollar rock spots  
To umm, million dollar raps I want a 1.5 from the day I  
turn this debt

Now Peter Piper picked peppers, while I pimped hoes  
An' my white drop rolls, an' it's sittin' on vogues  
Jack was nimble, was nimble  
Nigga he was a bitch, let niggas smack him

Punk him, an' jackin' his shit, when you in it, you gotta  
get ignite  
'Cuz niggas will play you, lay you, then they spray you  
Okay you got a little money an' you figure you hard  
You bought two pitbulls for your big backyard

Now let me be frank with you, in this game  
You betta have a lotta homies, some straps an' a tank  
With you, 'cuz these niggas they be playin' for keeps  
While you sleepin', they creepin', that's word to my  
mama

All my real gangstas throw yo hood up  
Throw yo hood up, throw yo hood up  
Now to all my real soldiers throw yo hood up  
Throw yo hood up, throw yo hood up

All my real gangstas, I'm what, nigga what?  
All my real soldiers, I'm what, nigga what?

I'm a G A N S T to the A  
I got niggas throwin' up they hood from NY to ZA  
I probably won't get five mics 'cuz I hurt this much  
But they don't understand, that's why I'm worth this  
much

See all my real ass soldiers grab yo shit an' act bad  
An' all my real niggas grab the guns, weed, an  
My mission to cash, see y'all busters can't hold me  
down  
Like the police they had the wrong guy an' if I tell you  
somethin'

Believe it like you seen it with your own eyes  
Damn tell you what, meanin' what?  
See I make gangsta shit they wanna tell us clean it up  
Now I walked in, straight up outta some thuggish shit

Don't tell me nothin' to be here try to tear the club up  
bitch  
Now don't have me trade the muthafuckin' tape for the  
crack  
Don't have me go back to tradin' the mic for the gat  
(See you love them hoes back in the days)

Nigga please, you gonna fall back like [unverified]  
without a sack  
So either fall back on keys or forty g's  
See I'm 'bout bigger payday's, I don't set trip, I set clips  
into AK's  
See I done shit bitch, not see me go, I run shit bitch

Like a CEO, now Snoop how you spell gangsta? Spell it  
DPG  
An' I spell soldier N O L I M I to the T  
(That's 'cuz we different riders)

What? I'm nigga, nigga what?  
I'm nigga what, I'm nigga, what, what?  
I'm nigga what? I'm nigga, nigga what?  
I'm nigga what, I'm nigga, nigga

What? From the N O to the L B, B  
From the east to the west coast  
To that dirty muthafuckin' south  
To the nizorth, my little brother

Silkk The Shizocker, an' Snoop  
(Real niggas unite you heard me?)  
That's how we do it nigga, playas fool  
Now destroyed them muthafuckin' enemies
