St. there'sa little flower  
Hidden from the world and all  
Blooming in the carmel garden  
To fulfill the master's call.

Chorus:  
Hear our prayer St. there'sa  
Lead us on your little ways  
That we live along for Jesus  
Teach us how to love and pray.

St. there'sa of child Jesus  
Simple pure and innocent  
Little acts of love and kindness  
Doubt this offer to ammend.  
(Repeat Chorus)

St. there'sa spouse of Jesus  
Oh we pray thee hear our call  
When sweet roses thou the shower  
In our hearts let petals fall.  
(Repeat Chorus)
