Don't wanna chase you
Anymore
I've given in
It's up to you now
When I think about it
Coolly packed down
And everything is smooth
For a while

And all the things you say
Make my world go away
And then, yeah, even more tonight
And I think I'll see us through
In the transparency
Of just being for you now

Pa-pa-da-dum...

Get rid of the paper
It's upside down
You can't hide from me
I know your inside
I read you like a book
Sonny
Do you have the balls to surprise me

I know the stillness of you
?
Before anyone comes out
I don't know what else to do
So I'm just gon' hide from you
Till it all dies down

Pa-pa-da-dum...

Get rid of the paper
It's upside down
You can't hide from me
I know your inside
I read you like a book
Sonny

Do you have the balls to surprise me
