Gotta live it up, you can't give it up for one more night

I was all alone and sleeping in my bed  
All those crazy dreams were just running down my  
head  
It's like I saw a spirit that took me by surprise  
And told me that my dream was right before my eyes  
Can you release me, can you teach me  
Take me by the hand and show me who I am  
Yeah, you release me, cause you believe in me  
Let me show you who I am

Gotta live it up, you can't give it up for one more night  
Feeling getting higher  
Gotta live it up, you can't give it up for one more night

I... too much time trying to analyze  
This ain't no silly game it's gonna be a crazy ride  
It's like I saw a spirit that took me by the hand  
And breathe the soul into me and made me  
understand  
Can you release me, can you teach me  
Take me by the hand and show me who I am  
Yeah, you release me, cause you believe in me  
Let me show you who I am

Gotta live it up, you can't give it up for one more night  
Feeling getting higher  
Gotta live it up, you can't give it up for one more night  
Feeling getting higher  
Live it up, one more night, just run away  
Yeah, gotta live it up  
No, don't wanna wait  
Oh no, don't wanna wait for your heart, for your heart

Loss of love, time is here, drop your purse, let down  
your...  
I wanna make you, take you, where you never been  
Doggy land, if we never in  
We going... double g  
No worry you in trouble see,

Get enough, live it up, give it up

Gotta live it up, you can't give it up, give it up, give it  
up, give it up

Gotta live it up, you can't give it up for one more night  
Feeling getting higher

Gotta live it up, you can't give it up for one more night

Gotta live it up, you can't give it up for one more night

Feeling getting higher

Gotta live it up, you can't give it up for one more night
