I ain't running, I ain't hide, I ain't scared  
So now I'm ready and heavily prepared  
Come and get me  
I ain't running, I ain't hide, I ain't scared  
So now I'm ready and heavily prepared, come and  
get me  
I ain't running, I ain't hide, I ain't scared  
So now I'm ready and heavily prepared motherf\*cker  
What? my shit of flim mother fucker,  
Who'd I go break him motherfucker

And look it took me one of two ways  
Dead or alive, got no safety runs as laugh  
No vasal this taps long bullshit, what?  
Will stand up to a full clip,  
Now I'm going out like... play minutes when your  
pussy  
Like ain't it the beginning  
Get it like ten at the end for findin  
Any nigga on my squad I die for talk bless  
With mistle war with...  
Who the fuck is I'm talking to  
You don't know the four four blow shawty out the walk  
the two,

[Hook:]

I know niggas don't like the shit I talk on tracks  
Rose up the trader house, show guns on smack wow  
You'd better put on the thinking cap 'cause room  
move  
Then you're gonna get your thing in cat  
The simple, look I put a bullet in your taple  
And out ex it room, by a small as a dimple  
Now who can tell your mama held this rap ass nigga  
Then cute the only tell  
Look, you can take the ease roll... diesel  
Get switch tease oh, fresh the piece tease up.

[Hook:]

Iâ€™m tryin keep my scene and now let this rap shit go to  
my head  
Gun load to got, one in the head  
They got me nervous, feeling like jails ahead,  
They knocked up who stop like...  
Iâ€™m still fucking with white, â€™cause I gotta get fat  
The brown poppin but it got niggas going to feds  
So tell all lean God bless our heavin  
Iâ€™m going out blessing Iâ€™m lasting the more...  
Iâ€™m meeting make promise if they make my heart  
stoppinâ€™  
Blow me a parade and rob my body around the watch  
so.
