Through these speakers you can hear my mind
Ain't no limit to my crime
That's how I live x2
Looking at my city looking at the clouds
You ain't seen nothing till you see how I live
Hey yo me and this... 19 looking
Getting up with some women soon as he... chase
nightmares
All of his dreams took it fuck it fuck it
... I give a fuck and they love it... shit crazy... wasted up
in my mercedes... I don't want to see you with a less
ladybug you got it no you got it soon as you drop it...
money is not an option my... not stronger
As soon as you hear it popping...
Through these speakers you can hear my mind
Ain't no limit to my crime
That's how I live x2

Looking at my city looking at the clouds
You ain't seen nothing till you see how I live

Got no issues got no beef... think about my life...
This technology has put... they say he is rich but he is
asleep
... don't call unique... miss the facts I ain't rapping on...
cold bitches
... sound of... I am writing top of blue skies and grey
skies... elevated from... simply be included
The music gets me... we always shooting

Chorus
Through these speakers you can hear my mind
Ain't no limit to my crime
That's how I live x2
Looking at my city looking at the clouds
You ain't seen nothing till you see how I live
