Song : Stuck

I cant get out of bed today or get you off my mind
I just cant seem to find a way to leave the love behind
I aint trippin, Im just missin
You know what Im saying, you know what I mean

You kept me haingin on a string why you make me cry
I tried to give you everything but you just gave lies
I aint trippin, Im just missin
You know what Im saying, you know what I mean yeah

Every now and then when Im all alone
Ill be wishing you would call me on the telephone
Say you want me back but you never do
I feel like such a fool theres nothin I can do
Im such a fool for you

I cant take it what am I waiting for
My heart still breakin I miss you even more
And I cant fake it the way I could before
I hate you, but I love you
But I cant stop thinkin of you
Its true Im stuck on you

My loves a broken record thats skippin in my head
I keep singin yesterday why we gotta play these games
we play
I aint trippin, Im just missin
You know what Im saying, you know what I mean yeah

Every now and then when Im all alone
Ill be wishing you would call me on the telephone
Say you want me back but you never do
I feel like such a fool

I cant take it what am I waiting for
My hearts still breakin I miss you even more
And I cant fake it the way I could before
I hate you, but I love you

But I cant stop thinkin of you
Its true Im stuck on you

Every now and then when Im all alone
Ill be wishing you would call me on the telephone
Say you want me back but you never do
I feel like such a fool theres nothin I can do
Im such a fool for you

I cant take it what am I waiting for
My hearts still breakin I miss you even more
And I cant fake it the way I could before
I hate you, but I love you
I cant stop thinkin of you
I hate you, but I love you
I cant stop thinkin of you
I dont know what to do
Im stuck on you
