Are you gonna step up
Say something worth listening to
Your wasting my fucking time
How is that that no one sees this?

GO!

Your worthless fucking perfect
Your ignorance far exceeds you
Your blood is more than worth it
Your worthless fucking perfect

This is not a vacation!

Are you gonna shut up
Before you really get fucked up
Get your head in the game
All you fuckers sound the same
Are we deaf?
Are we blind?

Your worthless fucking perfect
Your ignorance far exceeds you
Your blood is more than worth it
Your worthless fucking perfect

So far we've seen it all
Watched you rise and hope you fall
Cockiness, your so head strong
Fuck you all we'll prove you wrong!
We'll prove you wrong!

Are you gonna step up?
Say something worth listening to
Your wasting our fucking time
How is it that no one hears this?
Are we deaf?
Are we blind?

Your worthless fucking perfect
Your blood is more than worth it
