"Fly Away"

Back and forth again
There is no purpose
Falling back again
It's always the same

So Fly away
Fly away

Tell them that you need to know
Tell them everything
Tell them that you need to go
Fly away

They don't want to know
What is your reason
They just need to know
It's always the same

So Fly away
Fly away

Tell them that you need to know
Tell them everything
Tell them that you need to go
Fly away

Wherever that you need to go
Don't listen to what they say
Wherever far away you go
Fly away

Don't wait for something better
Don't hesitate
Don't wait for something better
Don't be afraid

Tell them that you need to know
Tell them everything
Tell them that you need to go
Fly away

Wherever that you need to go
Don't listen to what they say
Wherever far away you go
Fly away
