I've let this slip too far
I show it constantly
In my mind a scar
Emotions left unseen
For me it's so damn hard to put this down and walk
away

I'm falling faster
It doesn't matter
Until the end
I will descend

If I could just replace
When everything has gone
Then I would be o.k
There's nothing left for me to do but walk away
Just walk away

I'm falling faster
It doesn't matter
Until the end
I will descend

Separate

Here we are
Falling down
Still we are
Here with them

I'm not listening to you
Why do I give in to despair that have lost you
Why don't you separate?

Falling into the unknown
I feel that I need to escape
I'm starting to lose all control
I begin to separate

I'm starting to lose all control

I'm falling faster
It doesn't matter
Until the end
I will descend
