Love is a gulf  
It's like a waterfall  
Is given above  
Oh boy I want it so  
It's making me run into your arms  
Spinning my world round and round  
Making me shine all the time  
Bringing me back to life

Wanna fall, wanna fall, wanna fall, wanna fall, wanna  
fall in love  
Oh

Love is a fight  
It's taking over me  
And day and night  
Lady, I want you near  
It's making me run into the arms  
Spinning my world round and round  
Making me shine all the time  
Bringing me back to life

Wanna fall, wanna fall, wanna fall, wanna fall, wanna  
fall in love  
Oh
