(Verse 1)

The Lord is my shepherd and I'm satisfied. I've got
what I need: Jesus Is
Everything.
Sometimes I get lonely, down in despair. I take it to my
God, I know He
Answers my prayer.
Enemies surround me, setting traps for my soul. Gotta
keep focusing on my
Goal: gotta let them know
Greater is the Lord that lives inside of me than he that
is in the world
I've got the victory!

(Chorus)

Jesus is my fortress: Took the curse from my life and
made me blessed.
I don't have to be afraid; I'm rollin' with Christ and I got
it made.

Repeat

(Verse 2)

It's always good to know the Lord is on my side, in His
arms I can abide
No mountain is too high, no valley is too deep. Jehovah
hears my cry and I
Know
Angels got my back in every battle that I face. I don't
worry 'bout
Provision; God's grace is sufficient.
No weapon that is formed shall accomplish anything.
That's the reason I can
Sing!

(Chorus 2x)

(Rap)

Me and Christ we like homies for life, much respect due
for all the pain
That He went through
Now I'ma always hold it down with the sound that will
turn your life
Around; break the devil down
Peep the rhyme flow comin' from the Effervescent, I'm

always blessed kid,
Never stressin', study my lessons
I keep growin' like a beanstalk; speed knots I give to
demons make the
Devil wake up screaming.
It's the demon slayer comin' from the house of prayer;
walk your city with
More authority than your mayor.
My source of power's spiritual manifested in lyrical
form I get reborn
Every time I get my praise on.
I see clearly 'cause the rain is gone, read the Word in
the storm and it
Made me strong.
Some cats be losin' focus like a broken camera, living
life without Christ:
They try'n to box with no stamina
I'ma still be standin' in the last round yo; for every blow
the devil throw
I got a brand new flow we bumped
Heads before and to prove it I got scars. When this
battles over, I'll
Still be shining like a star.
I'm on the rise my destination is beyond the skies, my
enemies read your
Destiny in Psalm 35.
Realize: I still progress because I'm blessed by his
Royal Highness and you
Could never penetrate my fortress

Bridge:
Holy, Holy, Holy Is the Lord
Faithful, Faithful, Faithful Is the Lord
I've never known Jesus to let me down, placed my feet
on solid ground
Never known a love like this before, got me comin'
back for more
Oh the blood of Jesus
I can sing and shout; he has brought me out!

(Chorus)
