(Verse 1)

Oh Lord, I've been holding on waiting for my  
breakthrough

Every day I renew my faith putting all my trust in you  
I know You will never lie every Word you say is true  
When I've done everything in my power to sow a seed,  
here's what I'll do.

(Chorus)

Take my time: It's all right

Wait In line: It's all right

If I have to sacrifice: It's all right

I don't have a clue what to do: It's all right

So I'm gonna wait on you: It's all right

Till I see the sun shine through: It's all right

(Verse 2)

People don't see how you operate: they just want things  
right away.

But I know you can receive it, if you only believe it: even  
if it does not manifest today

Lord teach me how to remain strong even in the midst  
of a storm

So I'll keep on offering the sacrifice of praise until my  
change comes. Here's what I'll do:

(Chorus 2x)

(Bridge)

Lord I give my life to You, tell me what You want me to  
do

Tell me how You feel; I want to be in Your will
