I finally found someone
That knocks me off my feet
I finally found the one
That makes me feel complete
It started over coffe
We strated out as friends
It's funny how from simple things
The best things begin

This time is different
And it's all because of you
It's better than it's ever been
'Cause we can talk it though
My favouite line was
"Can I call you sometime"
It's all you had to say
To take my breath away

This is it, oh I finally found someone
Someone to share my life
I finally found the one
To be with every night
'Cause whatever I do
It's just got to be you
My life has just begun
I finally found someone

Did I keep you waiting? I didn't mind
I apologise, baby that's fine
I would wait forever just to know you were mine

You know I love your hair
Are you sure it looks right?
I love what you wear
Isn't it too tight?
You're exceptional
I can't wait for the rest of my life

This is it, oh I finally found someone
Someone to share my life
I finally found the one

To be with every night
'Cause whatever I do
It's just got to be you
My life has just begun
I finally found someone
And whatever I do
It's just got to be you
My life has just begun
I finally found someone
