

## Star City Meltdown "Congratulations"

Visit "[Congratulations](#)" on MotoLyrics.com

Congratulations

we've made it now

Your doubts about us never prevailed

Seems how you thought

we're going down

got the secrets but

I'll never tell

A new beginning

is upon us now

so catch on and recognize

We're all here now

We own this night

Star City let me see you rise

Well all along I knew

it wouldn't take us too long

to get this right

So congratulations

you win the prize

for saying I would fail

You wait for

I'm sorry it ended up like this

You wait for  
Someone who never noticed you at all  
It's my intentions  
to make it clear  
and put you  
where I think you belong  
I hope it haunts you  
day by day  
now that you have shown me your ways  
A new beginning  
is upon us now  
so catch on and recognize  
Star City I wanna hear you say  
Star City let me see you rise  
So all along I knew  
it wouldn't take us too long  
to get this right  
So congratulations  
you win the prize  
for saying I would fail  
You wait for  
I'm sorry it ended up like this  
You wait for  
Someone who never noticed  
You wait for

I'm sorry it ended up like this

You wait for

Someone who never noticed you at all

Congratulations

You wait for

I'm sorry it ended up like this

You wait for

Someone who never noticed

You wait for

I'm sorry it ended up like this

You wait for

Someone who never noticed
