Ah, for the glens are lyin' bare  
And the wee bit farm deserted  
And the woods o' Germany  
Grows in rows round the broken-hearted

Many hae gane tae Americay  
Ye burnt their hames and garred them wander  
For I woulda gane wi' th'de'il himsel'  
As bide and hour wi' the cruel Gillanders

Black is the wood on the ruffian-swa's brow  
But blacker still is your heart, Victoria  
Sent your men untae our glen  
You'll need the good Lord lookin' o'er ya

Ah, for the glens are lyin' bare  
And the wee bit farm deserted  
And the woods o' Germany  
Grows in row round the broken-hearted
