Yerr!
Wretch-ro boy
We all know what's gonna happen (Starboy NFG)
By tomorrow morning, it's like...

I'ma have a hangover
Tomorrow morning, I'ma have a hangover
Can't go to work with a hangover
Can't feel my legs with a hangover

'Cause when I party in the club I go hard
Put the drinks on the back of my card
V.I.P. living like a rockstar
Now she grippin' on me like some handle bars
Sexy mamma keep throwing back shots
Just don't spill it on my Gucci while we dance

'Bout the time we leave this club you know what's up
Call my driver, yo come pick me up

Little black dress with her body on 10
Know you wanna dance with me (what it is)
We can drink all night got the bottles on ice
If you wanna get misty (what it is)
I love it when you dip low (what it is)
Stilettos on tiptoe,
Girl you know exactly what we're doing tonight yeah

Cause I'ma have a hangover
Tomorrow morning, I'ma have a hangover yeah
I'ma wake up with a hangover
Sip until I drop, you know the game's over yeah
I'ma wake up with a hangover
Tomorrow morning, I'ma have a hangover

H-h-h-hangover...
I ain't leaving till the sun comes up

'Cause when I party in the club I go hard (go hard)
Put the drinks on the back of my card
V.I.P. living like a rockstar (rockstar)

Now she grippin' on me like some handle bars (bars)
Sexy mamma keep throwing back shots
Just don't spill it on my Gucci while we dance

'Bout time we leave this club you know what's up
Call my driver, yo come pick me up

I like the way you walk it to me
Girl your body's talking to me,
Love the way your hips go (what it is)
I been thinking so much, now I really wanna touch
Baby take another sip so (what it is)
Put the bottle to your lips slow (what it is)
Baby we can have a strip-show
Girl you know exactly what we're doing tonight yeah

Cause I'ma have a hangover
Tomorrow morning, I'ma have a hangover, yeah
I'ma wake up with a hangover
Sip until I drop, you know the game's over, yeah
I'ma wake up with a hangover
Tomorrow morning, I'ma have a hangover

H-h-h-hangover
I ain't leaving till the sun comes up

[Wretch 32:]
Wretchro boy
Uh I need to go
No queue, go true, straight through the entrance
And now I'm looking for a shot no death wish
Woah I said the V.I.P.'s like Downing Street
Do you wanna get elected?
I got the juice babe and a beverage
And everything's on ice like a pendant, woah
And now I'm looking for some retches
I'm tryna strike don't be tryna get defensive
I met a girl said she never been sober uh
She kinda talks like Kerry Katona uh
I fall in love every other night
It's like a funfair when you jump into my ride

'Cause when I party in the club I go hard (go hard)
Put the drinks on the back of my card
V.I.P. living like a rockstar (rockstar)
Now she grippin' on me like some handle bars (bars)
Sexy mamma keep throwing back shots (shots)
Just don't spill it on my Gucci while we dance

'Bout time we leave this club, you know what's up
Call my driver, yo come pick me up

'Cause I'ma have a hangover
Tomorrow morning, I'ma have a hangover yeah
I'ma wake up with a hangover
Sip until I drop, you know the game's over yeah
I'ma wake with a hangover
Tomorrow morning, I'ma have a hangover

Cause I can
Hangover
I ain't leaving till the sun comes up
Starboy Nathan
Wretch-ro boy
Aw yeah
We let it go

Hangover
I ain't leaving till the sun comes up
