STARKATE

"Dancefloor Drama Queen"

(Dario Caminita Â– Juliette R. Ford)

Produced by Dario Caminita

She's over the top when she hits the dance floor.
She's a hot mess but pretends not to be.
Dancing with her girls, all up on the guys...
Wardrobe malfunctions happening all night.
She likes fresh meat (just like Lady Gaga)
She likes the attention... to say the least
If an ex is in the crowd, It's just like girls gone wild
No one's off limits, everyone is her type
(Chorus)

She's a dance floor drama queen, She likes to make a scene

She's too hot for TV, (Dance floor drama queen)

She's a dance floor drama queen, She likes to make a scene

She's too hot for TV, (Dance floor drama queen)

*(Ad-libs)

Hurrah! Hurrah! Hurrah! Hurrah! (Wave to the drama queen)

Hurrah! Hurrah! Hurrah! Hurrah! (Wave to the drama queen)
