I think I'm dreamin
I'm believing
I'm addicted to
Your heavy breathing

Your heart is racing
My hands are shaking
You said you've never
Really felt this feeling

I just want you tell you
How I'm feelin for you
I don't know how you feel
But I'm crazy for you

Don't stop Breathing
Make this moment last forever
We can't fight feeling Tonight

Give me a second
Chance to tell you
How did ever I live
Without you

Your picture perfect
Completely worth it
There isn't anything
I'd change about you

I just want you tell you
How I'm feelin for you
I don't know how you feel
But I'm crazy for you

Don't stop Breathing
Make this moment last forever
We can't fight feeling Tonight
