Hello my old love, you recognize this face.
I saw you talking yeah, but I looked the other way.
Well, I have a blind believe the fire still burns.
Hello my old love, you recognize this face.

Oh, I need you woman,
Yeah, why you pass me by?
I say, oh, I need you woman,
Yeah, why you pass me by?

Just out of nowhere, you get this crazy afternoon.
What do you say, my love, to a walk down the aisle?
Just like days of old, cuz it's been way too long.
what do you say ,my love, to a walk down the aisle?

Oh, I need you woman,
Yeah, why you pass me by?
I say, oh, I need you woman,
Yeah, why you pass me by?

I'll buy you a cup of coffee and we'll talk about your
men.
You tell me why you left them and I'll say I understand.
What about a rented room, we'll see how that works
out.
Hello my old love, guess you just read my mind.

Oh, I need you woman,
Yeah, why you pass me by?
I say, oh, I need you woman,
Yeah, why you pass me by?
Oh, I need you woman,
Oh, I need you woman,
Oh, I need you woman,
Oh, I need you woman.
