This took my fate. Giving in  
To your lips, To your eyes  
You say that, that it would come back to haunt me  
Crooked smile, the reflection in your eyes  
That shows my weakness for Beautiful mistakes

Something that I know you've seen before.  
I'm not the first.  
Set the trap, I'm falling for it every time.  
I can't believe everyone knew from the start.  
This would come back to haunt me.  
I can't stand to see you now.  
How could I ever trust you?

I'll Take it back to the streets.  
I'll start again.  
I'll never look back.  
I'll never look back, back.  
How do you feel? I bet you don't feel anything!  
Don't have a heart attack.  
Don't have a heart attack.  
But I won't stop you.

Flying high. Razor blades make perfect lines.  
On just about anything you want.  
Broken pores spill out everything you want to say.  
It shows my weakness for falling in love with  
My wallowing despair that shines in black.  
It consumes me. I'll take it back,  
Build it back to what it was.

I can't believe everyone knew from the start.  
This would come back to haunt me.  
I can't stand to see you now.  
How could I ever trust you?

I'll Take it back to the streets.  
I'll start again.  
I'll never look back.  
I'll never look back, back.  
How do you feel? I bet you don't feel anything.

Don't have a heart attack.  
Don't have a heart attack.  
But I won't stop you.

Everyone knew from the start.  
This would come back to haunt me.  
I can't stand to see you now.  
How could I ever trust you?

Cut me out, of your life.  
Like it's nothing... (Like I'm nothing)  
Make believe you can love.  
That it's better, that you're better.

Part of me is gone.  
You've taken,  
You've taken.  
You've taken,  
You've taken.  
Part of me is gone,  
You've taken,  
You've taken.  
Pieces from me

I'll take it back to the streets  
I'll start again  
I'll never look back  
I'll never look back, back  
How do you feel? I bet you don't feel anything!  
Don't have a heart attack.  
Don't have a heart attack.  
But I won't stop you.

You won't stop, you'll never change...  
You won't stop, you'll never change!
