I thought we'd be together forever,
But it seems I was wrong,
And everything has fallen apart,
Think of what I've done for you,
Think of all that we've been through,
I hope every time he breaks your heart,
You think of me,
And how I was to you,
Everything has fallen apart,
Everything....
One day you'll see,
Just how good I was,
One day you'll see,
Just how good I was,
And I though that we'd be,
And I though that we'd be,
(Together forever)
And I though that we'd be,
(Together forever)
And I though that we'd be,

There is a place where the sidewalk ends, and before
the street begins, and there grass grows soft and
white, and there the sun burns oh so bright, and there
the moon and bird rest from this flight, to cool and help
prevent winds. Let us leave this place where the smoke
grows black and dark street winding paths, past the
pits where the ashfault flowers grow, she'll walk with a
walk that is measured in slow and watch where the
chalk white arrows go, there's a place where the
sidewalk ends. Yes, we'll walk with a walk that is
measured in slow, and we'll go where the chalk white
arrows go, to show them they mark, to show them they
know, the place where the sidewalk ends.
