I'm just another body down
internal bleeding round & round

and all I can think or are ways to die alone (2#)

A portrait of my skeletal gain
left self-ish & hungry so feed me the pain
escape reality with new pain
then let the cycle start again

and all I can think of are ways to die alone (2#)
Dream of content
a pain filtered farm
all I can say.....

Dreams are bad
when all they do is leave the truth behind
deams are bad
when negativity's a state of mind
