You don't know the truth and I love your life Youdon't know the truth and I love your life

Thrust the candle to the dark of your disease burn the fish plate execute ill memories labyrinth of sympathy in which I'm lost and can't leave

And too much truth overshadows the lime lies Cause what lies beneath the clouds is an altered perception

And I'll pay for sanity but sanity don't come cheap

You don't know the truth and I love your life You don't know the truth and I love your life Cause you don't know the truth and I love your life

Doo doo doo doo-doo-doo doo doo doo doo

Doo doo doo-doo-doo doo doo doo doo doo

Doo doo doo-doo-doo doo doo doo doo doo

You don't know the truth and I love your life You don't know the truth and I love your life And you don't know the truth I love your life

Flinch against the fire but this ain't winter and I'm all by myself

the way I wanna be where I'm content to be, to be, all by myself

And frozen eyes are bound to melt

Doo doo doo doo-doo-doo doo doo doo doo

Doo doo doo-doo-doo doo doo doo doo doo

Doo doo doo-doo-doo doo doo doo doo doo

You don't know the truth and I love your life And you don't know the truth and I love your life And you don't know the truth and I love your life

You don't know the truth
You don't know the truth
And you don't know the truth and I love your life

And you don't know the truth And you don't know the truth And you don't know the truth
